

North Trinity Lake Community Vision Statement - Oct 2010

Vision. Passion. Community.

In 2030, North Trinity Lake is a vibrant community, surrounded by natural beauty, and a place where our neighborhoods, businesses, and government are partners in building a family-oriented and safe environment. Our greatest asset is our citizens--the people who live, work, play, learn, and contribute to the strength of our community.

We value our unique characteristics:

Natural Beauty

- We chose to make our homes among fire-defensible forests, mountains, parks, views, and open spaces
- Our surrounding forests and lake offer equal and open access to our region's trails thereby encouraging our residents and the public to experience our region's outdoor beauty and history

Sustainable Economy

- The North Trinity Lake region is known as a diverse vacation destination with niche business markets
- Our economy prospers with a mix of attractive, successful businesses that fit with our community character and offer good paying full and part-time jobs
- Use of current and available media by businesses and families encourages economic development, promotes local activities, and creates extensive market recognition
- Our local businesses are professional run and provide year-round services and amenities for a diverse population of ages, interests, and economies, and take responsibility for the impacts their businesses have on the community

Distinctive Community Character

- We have welcoming neighborhoods that are desirable places to live and raise a family
- Our neighborhoods are well-planned, environmentally sustainable, and instill a sense of community that promotes its history and assets

Diverse Recreation Opportunities

- Our residents and visitors enjoy a healthy lifestyle by easily accessing the region's well marked trail system and Trinity Lake for fishing, boating, and camping
- Parks, open space, recreation facilities, and public trails are available, accessible, and strategically located, designed and maintained

Thriving Culture

- North Trinity Lake has retained its rural, small town atmosphere; one where people know and respect each other
- Local needs for all ages are addressed by a strong partnership between private and public organizations
- Our citizens are well informed and actively engaged in the life and decisions of the community
- Our schools and youth are the pride and future of our community
- There are places to socialize and gather for people of all ages
- The arts thrive in this creative region

Rich Regional History

- Our region is a destination for year-round, lifelong learning about the local environment and the natural and cultural history of the area
- Our community maintains its heritage while adopting the newest technologies and strategies

Adequate and Efficient Infrastructure

- Our communities are adequately and efficiently served with well planned, coordinated, and maintained sewer, water, fire safety, communications, and road systems
